CHRISTOPHER ISIOMA DUNKWU
Frontend Engineer

Contact: dunkwukris@gmail.com | LinkedIn: Christopher Dunkwu | Portfolio: kris-portfolio

PROFESSIONAL SUMMARY

A detail-oriented Frontend Engineer with over 3 years of experience in developing interactive, user-friendly web applications. Proficient in React.js, Redux, and Tailwind CSS, I have a track record of optimizing website performance, improving user experience, and delivering responsive designs across multiple platforms.

EXPERIENCE

Frontend Software Developer
Uridium Technologies Ltd (The Alternative Bank),
January 2024 – Present

- Designed and implemented interactive dashboards, resulting in improved data-driven decision-making for users.
- Reduced page load times by 20% using lazy loading, code-splitting, and caching techniques.
- Created dynamic CSS animations and implemented Framer Motion, increasing user engagement by 30%.
- Built reusable UI components to enhance consistency across projects and reduce development time by 15%.

Frontend Software Developer
Whytecleon Plc (The Alternative Bank),
July 2022 – December 2023

- Developed e-commerce websites using React.js and Tailwind CSS, collaborating with designers to ensure pixel-perfect execution.
- Improved application performance by 25% through Redux tool kit state management and ensuring accessibility and SEO standards.
- Conducted code reviews and maintained coding best practices across all projects.

Frontend Software Developer
Whytecleon Plc (Sterling Bank),
August 2020 – July 2022

- Built and maintained websites using HTML, CSS, and JavaScript, ensuring seamless integration with back-end functionalities.
- Leveraged Redux to manage state across applications, improving the user experience by ensuring smooth interactions.
- Optimized code for SEO and performance, improving load times and search rankings for client websites.
